

YOU'RE INVITED

Calling all First-Year Pharmacy Students

Join Legacy Community Health and Legacy Pharmacy for our inaugural, and FREE, TEACH Conference—**Transforming Education And Combating HIV.**

SATURDAY
11.18.23

8:00 AM – 5:00 PM

Legacy Montrose
1415 California St, 4th Floor
Houston, TX 77006

Why TEACH?

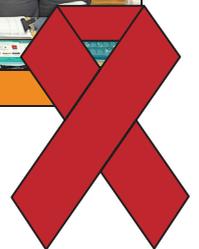

Legacy Pharmacy's TEACH Conference is designed for future pharmacy professionals like you who want to learn more about HIV, including:

- The basics of HIV, including transmission, prevention, and testing
- The latest advances in HIV medication therapy
- The role of pharmacists in HIV care
- And more!

You'll hear from experts in the field, including pharmacists, physicians, and *Gilead* and *ViiV Healthcare* representatives. You'll also have the opportunity to network with other pharmacy students and professionals.

Lunch and refreshments will be provided.

Space is limited! RSVP today at

ABOUT LEGACY COMMUNITY HEALTH: Legacy Community Health is a full-service health care system comprised of over 50 locations in the Texas Gulf Coast region offering primary and specialty care, as well as pharmacy services. For over 40 years, Legacy has been innovating the ways we provide comprehensive, quality health care services to underserved communities—beginning at our roots as The Montrose Clinic, founded in 1978, as a leader in the fight against HIV/AIDS. As the largest Federally Qualified Health Center (FQHC) in Texas and a United Way affiliated agency since 1990, Legacy ensures its services and programs are open to all, regardless of the ability to pay—without judgment or exception. To learn more, visit www.legacycommunityhealth.org.
